Mr. Deepak Shikarpur
GSE Team Leader
R. I. District 3130
Pune, India

Dear Deepak,

On behalf of our Rotary Club of Bowling Green and the many others who benefited from your visit yesterday to our community, I am writing to express our sincere gratitude and pleasure at having the opportunity to interact with you and your team of talented and attractive young professionals.

I especially wanted to thank you for meeting with representatives of the College of Business Administration on possible cooperative ventures in distance learning with Pune University. Great things can grow from planting such seeds; I sincerely hope that will happen in this case.

You and your team are to be complimented on your excellent presentations at the two meetings of our Rotary Club. One of our Rotarians and my friend, Mazhur Anik, who was born in Mumbai, India, but has lived here for over 30 years, told me your presentation was so moving it brought tears to his eyes. Speaking for myself, I was very much impressed with your slides and by the professional, entertaining delivery made by you and the other members of your team. How especially gratifying for me it was to see the benefits of Polio eradication efforts in India over the past several years!

Please pass along our gratitude to Madhuri, Dr. Pradnya, Priya and Ashwini, and thank them both for their excellent presentations and for wearing their traditional sari's during the day, which more than fulfilled a promise I had made to the Bowling Green Rotarians.

May we someday meet again.

With sincere gratitude,

Ron Stoner
Club President
